The financial reporting framework that has been applied in their preparation is applicable Irish law and Accounting Standards, including Financial Reporting Standard 102 The Financial Reporting Standard applicable in the UK and Republic of Ireland.

In our opinion, the financial statements:

- give a true and fair view of the assets, liabilities and financial position of the company as at 31st December 2018 and its excess of income over expenditure for the year then ended; and
- have been properly prepared in accordance with Financial Reporting Standard 102 The Financial Reporting Standard applicable in the UK and Republic of Ireland; and
- have been properly prepared in accordance with the Companies Act 2014

**Basis for opinion**

We conducted our audit in accordance with International Standards on Auditing (Ireland) (ISAs (Ireland)) and applicable law. Our responsibilities under those standards are further described in the Auditor's responsibilities for the audit of the financial statements section of our report. We are independent of the company in accordance with the ethical requirements that are relevant to our audit of the financial statements in Ireland, including the Ethical Standard as issued by the Irish Auditing and Accounting Service Authority ("IAASA") Ethical Standard, and the provisions available for small entities, in the circumstances set out in note 13 to the financial statements, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

**Conclusions relating to going concern**

We have nothing to report in respect of the following matters in relation to which the ISAs require us to report to you where:

- the directors' use of the going concern basis of accounting in the preparation of the financial statements is not appropriate; or
- the directors have not disclosed in the financial statements any identified material uncertainties that may cast significant doubt about the company's ability to continue to adopt the going concern basis of accounting for a period of at least twelve months from the date when the financial statements are authorised for issue.

**Other information**

The other information comprises the information included in the annual report, other than the financial statements and our auditor's report thereon. The directors are responsible for the other information. Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon. In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether there is a material misstatement in the financial statements or a material misstatement of the other information. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

**Opinions on other matters prescribed by the Companies Act 2014**

In our opinion, based on the work undertaken in the course of the audit:

- we have obtained all the information and explanations, which we consider necessary for the purposes of our audit.
- the accounting records of the company were sufficient to permit the financial statements to be readily and properly audited.
- the financial statements are in agreement with the accounting records.
- in our opinion the information given in the directors' report is consistent with the financial statements.
- the Director's Report has been prepared in accordance with the Companies Act 2014.

**Matters on which we are required to report by exception**

Based on the knowledge and understanding of the Company and its environment obtained in the course of the audit, we have not identified any material misstatements in the directors' report.

The Companies Act 2014 requires us to report to you if, in our opinion, the disclosures of directors' remuneration and transactions required by sections 305 to 312 of the Act are not made. We have nothing to report in this regard.

**Respective Responsibilities of Directors and Auditors**

As explained more fully in the Directors' Responsibilities Statement set out on page 3, the directors are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the directors determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the directors are responsible for assessing the company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the directors either intend to liquidate the company or to cease operations, or have no realistic alternative but to do so.

**INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF COUNTY SLIGO LEADER PARTNERSHIP COMPANY CLG FOR THE YEAR ENDED 31ST DECEMBER 2018 (cont.)**

---

**Auditor's responsibilities for the audit of the financial statements**

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (Ireland) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

A further description of our responsibilities for the audit of the financial statements is located on the IAASA website at:

[http://www.iaasa.ie/getmedia/b2389013-1cf6-458b-9b8f-a98202dc9c3a/Description\\_of\\_auditors\\_responsibilities\\_for\\_audit.pdf](http://www.iaasa.ie/getmedia/b2389013-1cf6-458b-9b8f-a98202dc9c3a/Description_of_auditors_responsibilities_for_audit.pdf)

This description forms part of our audit report.

**The purpose of our audit work and to whom we owe our responsibilities**

This report is made solely to the company's members as a body in accordance with Section 391 of the Companies Act 2014. Our audit work has been undertaken so that we might state to the company's members those matters that we are required to state to them in the audit report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the company or the company's members as a body for our audit work, for this report, or for the opinions we have formed.

### NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST DECEMBER 2015

---

#### 1. ACCOUNTING POLICIES

The company's registered office is Sligo Development Centre, Cleveragh Road. The company is a limited liability company incorporated in the Republic of Ireland and its company registration number is 222621.

The significant accounting policies adopted by the Company are as follows:

##### **Basis of Accounting**

The Financial Statements are prepared on the going concern basis, under the historical cost convention, and comply with the financial reporting standards of the Financial Reporting Council including FRS 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland" ("FRS 102") as adapted by Section 1A of FRS102, and the Companies Act 2014.

##### *Going Concern*

Given the level of net funds the company holds the directors consider that there are no material uncertainties about the company's ability to continue as a going concern. On this basis, the directors consider it appropriate to prepare the financial statements in the going concern basis. Accordingly, these financial statements do not include any adjustments on the carrying amounts and classification of assets and liabilities that may arise if the company was unable to continue as a going concern.

##### **Tangible Fixed Assets and Depreciation**

###### (i) Cost

Tangible fixed assets are recorded at historical cost or deemed cost, less accumulated depreciation and impairment losses. Cost includes prime cost, overheads and interest incurred in financing the construction of tangible fixed assets. Capitalisation of interest ceases when the asset is brought into use.

Fixtures and fittings, computer equipment and motor vehicles are stated at cost less accumulated depreciation and accumulated impairment losses.

###### (ii) Depreciation

Depreciation is provided on property, plant and equipment, on a straight-line basis, so as to write off their cost less residual amounts over their estimated useful economic lives.

Fixtures & fittings	-	10% Straight Line
Buildings	-	2% Straight Line

##### **Grants**

Revenue grants are recognised in the Income and Expenditure Account so as to match them with expenditure towards which they are intended to contribute. Related expenditure is included in the accounts on an accrual basis. Grants are recognised when all conditions for their receipt have been complied with and there is reasonable assurance that the grant will be received.

Capital grants received towards capital expenditure are released to the Income and Expenditure Account over the expected useful life of the asset, towards which the capital grant was received.

##### **Taxation**

No charge to current or deferred taxation arises as the company has been granted charitable status. The company is a registered charity with the Revenue Commissioners, CHY 13549.

NOTES TO THE FINANCIAL STATEMENTS  
FOR THE YEAR ENDED 31ST DECEMBER 2018

1. ACCOUNTING POLICIES (cont)

**Income Resources**

All incoming resources are included in the Statement of Financial Activities when the company is entitled to the income, and the amount can be quantified with reasonable accuracy.

**Expenditure**

Expenditure is recognised on an accrual basis as a liability is incurred. Expenditure includes any VAT which cannot be fully recovered, and is reported as part of the expenditure to which it relates:

- Expenditure comprises those costs incurred by the company in the delivery of its activities and services for its beneficiaries. It includes both costs that can be allocated directly to such activities and those costs of an indirect nature necessary to support them.
- Governance costs include those costs associated with meeting the constitutional and statutory requirements of the company and include the audit fees and costs linked to the strategic management of the company.
- All costs are allocated between the expenditure categories of the Statement of Financial Affairs on a basis designed to reflect the use of the resource.

**Cash and cash equivalents**

Cash and cash equivalents include cash on hand, demand deposits and other short term highly liquid investments with original maturities of three months or less. Bank overdrafts are shown within borrowings in current liabilities on the statement of financial position.

**Retirement Benefits**

Retirement benefits are met by payments to a defined contribution pension fund. Contributions are charged to the income and expenditure account in the year in which they fall due. The assets are held separately from those of the company in an independently administered fund. Differences between the amounts charged in the statement of financial activity and payments made to pension funds are treated as assets or liabilities.

2. COMPANIES ACT 2014 S291(6)

The directors have availed of the provisions of Section 291(5) of the Companies Act 2014 to use a format of the financial statements that better describes the activities of a company not trading for profit. The main change is the replacement of the title 'Profit and Loss' with the title 'Income & Expenditure' and consequential changes in the description of certain items to be consistent with the descriptions appropriate to the not for profit sector.
